Group Dining

Deery's Restaurant

Deery's Restaurant is located on the ground floor of the Story Bridge Hotel and is our premier dining space which can accommodate up to 200 people for sit-down, and 250 people for cocktail style events.

The décor has great historical character and charm, with a contemporary twist. The beautiful high ceilings with exposed beams, allow plenty of natural light to enhance the timber finishes, which creates a warm and welcoming atmosphere.

Complimentary use of our in-house sound system including aux connectivity, plasma screens, and projector screen is available as a standard inclusion.

Deery's Alcove

Deery's Alcove is our exclusive and private dining space that offers an intimate dining experience for small and medium-sized groups.

The space can be separated with curtains for a more intimate and private experience or left open to enjoy the restaurant atmosphere. The room features original brickwork and pressed-metal ceilings that transport you back to its humble beginnings.

Complimentary use of our in-house sound system including aux connectivity and plasma screen is available as a standard inclusion.
